
Preparing for NDIS Planning

Step 6 - Preparing for NDIS Planning

This step is for people who are found eligible for an NDIS plan. It has basic information to help you prepare for the NDIS planning process. The National Disability Insurance Agency, your Local Area Coordinator (LAC) or Support Coordinator (if you have this service), will provide you with further support to help you develop your plan.

NDIS participants tell us that **the more thought you put into your vision for a meaningful life, the better the planning process will be**. Refer to the 'Reimagine Your Life' section in the [reimagine.today workbook](#).

It is important to be prepared for your planning meeting, with your notes and paperwork. This quick printable checklist may be useful when you're preparing and to take with you:
