

LGBTIQ+ Communities Hub

Welcome!

Thank you for visiting this hub. These resources were co-designed by people from within LGBTIQ+ communities, with lived experience of mental health concerns, their carers and chosen supports.

The resources on this hub give personal stories and experiences as well as advice on engaging with the NDIS. We hope you find this hub a safe and supporting space. However, if you do find any of the content triggering for you, please discuss this with a trusted supported person or contact one of the support options in this link: <https://www.beyondblue.org.au/get-support/national-help-lines-and-websites>
